**“Hip, fresh and oh so cheap” chirp revelers who hit this Adams Morgan “late-night standby” for its “golden” fries and “awesome” falafel, “little balls of heaven” crushed into pita to make “more room” for the “amazing array of salads and sauces” from the toppings bar; amenities are scant (i.e. “no plates or utensils”), but if “you take quality and divide by cost”, you get the DC Survey’s No. 1 Bang for the Buck.**
