Amsterdam Falafelshop Opening in Clarendon

Tuesday, April 29, 2014, by Missy Frederick

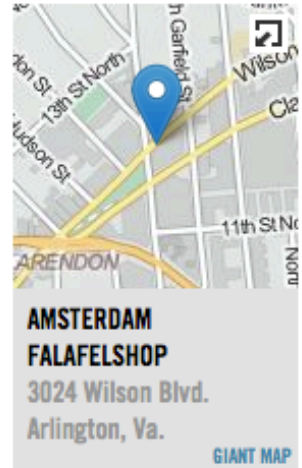

Amsterdam Falafelshop has signed its first lease in Northern Virginia. The expanding chain will take over 3024 Wilson Blvd., a space occupied until recently by **BGR: The Burger Joint**.

It will be a franchise location run by David Rosenstein of Metropolitan Restaurant Management (which runs 12 **Popeye's** locations locally). Amsterdam Falafelshop's franchise plans are going strong: another is coming soon to **Boston**. A location recently opened on 14th Street. A **mid-summer opening** is planned.
