Spanish and Middle Eastern sandwich options for Navy Yard and L'Enfant Plaza.

1) Navy Yard: 100 Montaditos will open in Navy Yard Thursday in The Yards development. The Spanish-influenced restaurant chain (which has local locations in such neighborhoods as Rosslyn) specializes in Spanish sandwiches, tapas and more (they also have a cheap happy hour). **Status:** Opening soon. *300 Tingey St. SE*; [website](#). **UPDATE:** Despite The Yards initially projecting a Thursday opening, Eater is now hearing that there still are "a few touches" to go before they can open. We'll update with the official word when it's available.

2) L'Enfant Plaza: The rapidly-expanding late night favorite Amsterdam Falafel is now a lunch option for L'Enfant Plaza office workers. The location is in the recently-renovated South Food Court in the Underground Promenade. **Status:** Opening today. *429 L'Enfant Plaza SW*; [website](#).
